Details

Tongji University is one of the leading universities directly under the State Ministry of Education in China. It offers degree programmes both at undergraduate and postgraduate levels. This particular building houses the Teaching and Science research departments.

The 55,000m² building is fitted with Securistyle's Parallel Plus hinges as the system allows for optimum ventilation through an open window, while limiting the opening to make the windows more secure and to ensure occupant safety. Like all other Securistyle heavy duty hinges, the Parallel Plus is manufacturer from 304 grade stainless steel and covered by a 12 year guarantee.
